

Perth, Australia

November 2017: Perth, the capitol of Western Australia, is one of the most isolated major cities in the world, with a population of just over 2 million, the city lays claim to 2 titles:

- The most isolated capital city of over 1,000,000 people in the world
 - The Bell Tower (aka Swan Bells) is one of the largest sets of change ringing bells in the world
- One native called Perth, a little country town.
